OPEN season

Kim K. puts flashin' in fashion!

CRAFTY **Kim Kardashian** can maximise a photo opportunity like no-one else. On this occasion, the 35-year-old reality TV superstar was in NYC's hip Soho district when she stunned the paparazzi by opening her jacket to reveal THE RIGHT STUFF.

And if you still think – after the many previous occasions when Kimbo has put parts of her divine body on public display – that it was an ACCIDENT, take a look at what she later got an assistant to write on her blog: "I have always loved sheer – I just don't GAF, LOL."

Not familiar with the acronym "GAF"? It stands for GIVE A FUCK. Which curvalicious Ms K. doesn't.

But we sure would…if only she'd ditch that lucky cunt Kanye West and give us a call.

Kagney Linn Carter needs to orgasm... right NOW!

PHOTOS BY DIGITAL DESIRE

YOU know those pornos where the chick looks like she's on the clock, taking a couple of stiff ones until they've squirted their loads but never getting too excited? Well, **Kagney Linn Karter** is NOT one of those chicks.

The eight-year jiz-biz veteran from Houston, Texas may be all BUSINESS in front of the camera, but ensures there's PLEASURE at the end of the scene for her, too. She fucks, fucks, fucks away until SHE has an orgasm of her own...and then ANOTHER.

"Any position I can cum in is my favourite," the 36D-sporting blonde revealed. "Women are more superior to men as far as that goes. We can cum from INSIDE our vaginas, ▸

‘I LOVE TO BE TALKED DIRTY TO... Y’KNOW, NASTY THINGS’

‘ANY POSSIE I CAN CUM IN IS MY FAVE’

we can cum from clit or anal stimulation… so, yeah, it's just whatever position I cum in at that moment. That's my favourite."

On the stick-flick set, Ms Karter doesn't muck around when the director shouts, "Action!" When that happens, the 29-year-old shifts gear and GETS STUCK IN!

"When I first work with someone, I don't usually go into small talk. I create chemistry with WHOEVER I have. Some are tougher than others. But I'm not a talker – I'd rather not talk. I just go with it."

If she likes the cut of a fella's, urm…JIB, then Kagney gets REALLY hot and horny.

"If I'm into a guy I'll do more kissing – especially around my ears. I love to be talked dirty to as well. Y'know, nasty things that I wouldn't allow a man to say to me while not having sex."

It was 2010 when Kagney arrived on the scene – taking out TWO *AVN* Awards for Best New Starlet and Best POV Sex Scene in *Pound The Round POV* – and only a year later she stepped up to perform her first arse-smashing scene in *Relentless*.

With 425+ films to her credit, you'd think she might be contemplating an early retirement, but think again!

"I've shot over 250 scenes in the past five years – that's a lot of sex – and I plan on being in this business for quite a few more years."

Kagney's fans will be relieved to hear that… but not as RELIEVED as they'll be after rubbing one out to her latest movie!

F-F-F-F-FLASHIN!

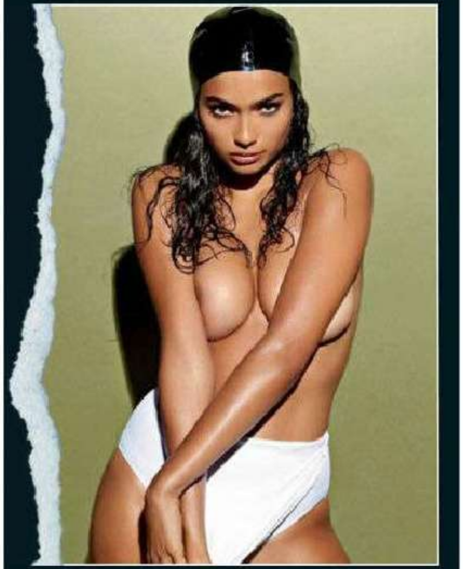
GIGI JUGS OUR MEMORY

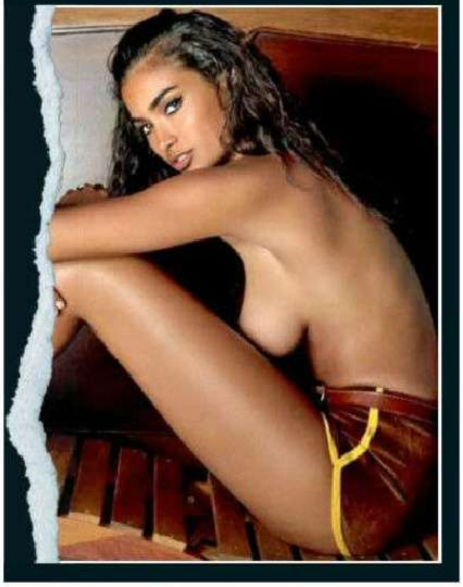
WITH younger sister and fellow catwalker Bella hogging the magazine spotlight of late, Gigi Hadid recently REMINDED US why we had enormous respect (and raging hard-ons) for her first. At Milan Fashion Week, the 21-year-old demonstrated that even a dodgy frock, dodgier make-up and a sad face – cheer up, Gigi! – can't hide her NATURAL ABILITIES.

OUR GALE

(INTER) NATIONAL PRIDE

PIN-UPS don't come much more EXOTIC than 21-year-old **Kelly Gale**, who has an Aussie father, an Indian mother and who did her growing up in Sweden. And glamma shoots don't come much more HYPNOTIC than Kel's pictorial in the September ish of American *Playboy*, photographed by Chris Heads. You are now under her power, readers.





KATE OF UNDRESS

EASY DOES IT!

IF YOU'RE gonna pop your screen-nudity cherry at 36, there are worse ways than in a CELEBRITY THREESOME with **Malin Akerman** and Orlando Bloom. That's what dark-haired cutie **Kate Micucci** – actress and half of pop duo Garfunkel And Oates – has done in ep six of sexy new Netflix series *Easy*. It's set in Chicago, aka "The Windy City", which is appropriate since Kate's shock strip has BLOWN US AWAY!

PLUCK YEAH!

GARDEN OF DELIGHT

CAN **Cara Delevingne** get any cooler? Rhetorical question. What other 24-year-old A-list model/actrine would pose on the cover of a newspaper insert (*Style* from the UK's *Sunday Times*) naked from the waist down, in a "LADY GARDEN" hoodie and with only a sunflower over her crotch? And where can we see their pics?

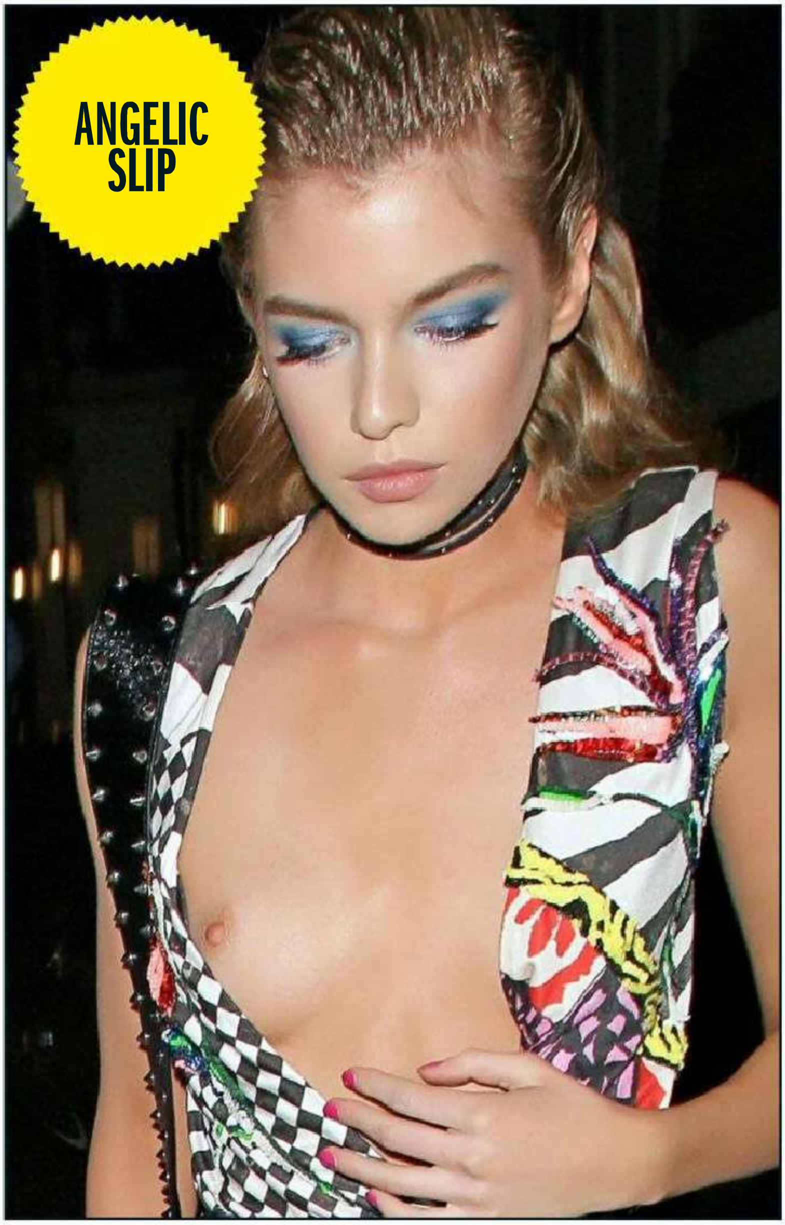
ANGELIC SLIP



MAXWELL BUILT

OFTEN described as a Northern Irish model, Victoria's Secret Angel **Stella Maxwell**, 26, actually holds dual UK/New Zealand citizenship, having spent her teenage years in Wellington and been "discovered" at the University Of Otago. You'd think the Kiwi climate woulda taught Stella to rug up on a night out. Then again, it would also have made this shot of her arriving at a London soiree CONSIDERABLY less interesting.

LOVELY FOLIAGE

IT'S enough to make a bloke vegetarian! Well, almost. We're referring to US fashion plate **Ali Michael**'s PLANT-ASSISTED shoot in *V* mag. STREET PARTY

VIOLA'S SOLO SHOW

SINCE 1985, millions of Germans have been avidly tuning in to weekly soap opera *Lindenstrasse* ("Lime Street") to follow the antics of characters like wild child Jacqueline "Jack" Aichinger. No doubt many of them will be JUST AS KEEN to get their mitts on the October ish of their local edition of *Playboy*, which casts 28-year-old **Cosima Viola**, who plays Jack, in a role of another sort: that of a NUDE SPUNK.

CRACKER STEPHIE

NOT your typical romance, 2016 French fillum *Down By Love* is about an affair between a prison warden and a female inmate. **Stephanie Cleau**, 40, portrays the cheating fella's wife in a BARE-ALL PERFORMANCE. Fuck knows why the warden's risking his career, marriage and rep when he's got a bird like this at home. He oughta be locked up.

BIANCA BREEZE

WHAT a breath of fresh air to have a XXX entertainer in this section from Switzerland rather than bloody California – especially when her name's Bianca Breeze. The 34-year-old got into the biz in 2013 and has starred in a WIDE RANGE of pornos, from *Airtight* and *Squirters* to *Lesbian Bush Worship* and *Alien Ass Party*. Talk about versatile!

BROKEN RECORDS

The world's worst album covers

The King's Singers

YOUNG'UNS don't realise it anymore, what with their MP3s and iTunes downloads, but there used to be a time when record albums lived or died by their great cover art.

It wasn't just a case of putting out great music; the artists had to sell their vinyl offerings using eye-popping photos or artwork that screamed to the consumer, "BUY ME!"

Whether it was four hippies walking on a zebra crossing (*Abbey Road* by The Beatles), a naked baby drowning in a swimming pool (*Nevermind* by Nirvana) or The Edge wearing a stupid hat (*Rattle And Hum* by U2), these record covers spoke to a generation and have become iconic over time.

Unlike the album covers on this spread. They are SHIT.

Thank goodness Vicki was there to help when Alex's G-string got stuck!

IF YOU like blonde newcomer – or is that NUDE CUMMER? – **Alex Grey**, then you'll bloody explode in the trouser area over new fillum ***Should I Say Yes?***.

Why? 'Cos Alex is all over it – in fact, she appears in four out of five scenes.

Luckily, the 20-year-old Georgia peach is easy on the eye and FUCKS LIKE A DEMON!

In this very classy-yet-sperm-drenched flick, Alex plays Sarah, who just can't make up her mind about life. Should she marry her fiancé or continue to root anything that moves?

She turns to her best friend Jessie for advice – and the occasional VAGINAL LICKETY-LICK – as they look at Sarah's past relationships and try to work out an answer.

Honestly, we don't care about Alex's final decision – we're just happy to follow her erotic journey of self-discovery. And to see how many litres of CHUNKY SPUZ she can guzzle. (Hint: it's LOTS.)

Kiss that Asa goodbye?

DON'T panic, ASIATIC BUGGERY lovers…the Queen Of Anal Porn **Asa Akira** is NOT retiring, despite whispers on the interwebz.

The 31-year-old New York nympho recently took to Twitter to inform her followers, "You guys, I'm not retiring, I'm not even close to done having sex for money."

The rumour mill probably began after an online article claimed Asa was having a "porn-life crisis", coinciding with the release of her second memoir, *Dirty Thirty*.

The starlet was quick to assure distraught fans that she planned to add to her impressive 10-year body of work for many years to come… even though she didn't consider what she did as "acting".

"You know I'm not an actress, right?" she tweeted. "I only do acting when I can get ass-fucked at the end."

SNAKES & LOADERS

THIS BUSTY BEAST is MMA fighter Gabi Garcia, who's making a name for herself in fight circles in Japan. The 30-year-old is 187cm tall, 111kg and, according to one friend, is "a big girl with a big heart". And a clit big enough to FUCK YOU if the amount of steroids she consumes are any indication.

Gabi's so big she could use Ronda Rousey as a dildo

WHO'S THE DUMMY?

RESIDENTS fed up with speeding in Moscice, Poland took matters into their own hands by erecting a FAKE TRAFFIC COP made from papier-mâché, which came complete with glasses, moustache and a hairdryer used as a radar gun. There's probably no truth to the rumour that lawbreakers BRIBED the cop to look the other way by feeding him CARDBOARD DOUGHNUTS.

FUCK-OFF FACTS

- According to those know-it-alls at Google, despite its Froggy-sounding name papier-mâché originated in CHINA, not France.
- The FIRST CRASH TEST DUMMY was created in 1949 and nicknamed Sierra Sam. The first sex doll was created 10 hours later when a horny janitor drilled a hole in Sam. So we've been told...

FEELING EEL

PEOPLE'S ULTIMATE GUIDE TO BUSH

From bare to big hair, with everything in between!

WE GOT a ROAD TRAIN-LOAD of positive feedback about our "Ultimate Guide To Boobs" in the September 12 issue, making us as proud as a rat with a gold tooth…but also leaving us scratching our noggins for a follow-up. Eight trips to the pub, eight staggers home while murdering a lamb kebab, eight violent spews and eight Beroccas later, we had it: BUSH!

If there's any lady bit that comes in as many delightful forms as breasts, it's pubic hair. Pussy fur, snatch thatch, cunt carpet, twat rug, smoo stubble… Call it what you want, it's worth STUDYING some of the most common varieties – not to mention their lovely owners!

SHAVED

JUST like refusing to answer is still an answer (as our better halves regularly remind us), so shaved is still a pubic hairstyle. It's a FRICKIN' POPULAR one in this day and age, too, with fans praising the clean look and increased sensation. Then there's the practical benefit of not having "spider legs" sticking out of your swimsuit in summer. A BALD BEAVER may not suit every lass, but **Elektra Rose** rocks it like Jimmy Page rocks a double-neck guitar!

DECORATED

IF YOU like a picture, chuck it in a frame. Similarly, if you love your vagina, frame it with a MAD TATTOO or several. That appears to be the philosophy of **Liliane Tiger** and other bold spunks who choose to get tatts around their twats. A trawl of the web reveals that, besides HEARTS, popular vadge-region ink includes diagrams of other internal organs, lawnmowers, butterflies and messages such as, "MY DADDY WILL KILL YOU."

SCULPTED

THERE are chicks who give their crotch fuzz the occasional quick trim, then there are others who painstakingly transform it into a WORK OF ART. Posh houses with gardens full of hedge animals have nothing on a fanny forest cut into the shape of a heart, as sported by talented **Christy Mack** here. Tragically, these creations are often reserved for the eyes of the gal's fella, so we appreciate a muff sculptress who BARES'N'SHARES!

LANDING STRIP

ALTHOUGH it can be even more time-consuming than sculpting, this cute little strip of hair above the vadge offers most of the benefits of the shaved option, while ensuring the sheila in question still feels SUFFICIENTLY WOMANLY. Or so we've been told. We'd double-check this info with **Alexis Adams** if only she'd answer our phone calls. Probably busy with the tweezers. Or bouncing up and down on the cock of a JUMBO JET PILOT.

PEOPLE'S ULTIMATE GUIDE TO BUSH

JAPANESE

LET'S be clear here: you don't have to be an Oriental to have this style of natural hair growth, but pretty much every glamma model/porn star from the Far East who doesn't shave DOWN THERE has this style of thatch: thick in the middle and wispy on the sides. It's so fucking cute! Here's the Japanese pussy of round-eyed rooter **Shyla Jennings**. Stare at it long enough and your knob will wanna go KAMIKAZE on it. Dive! Dive! Dive!

HAIRY

THE way nature intended? Yes and maybe no. There are those who'd argue that since the invention of clothing, short'n'curlies are nowhere near as vital for keeping our precious nether regions SAFE AND WARM. Ultimately, it's a matter of personal taste whether a hottie like **Hope Howell** elects to ditch the Remington and let her WOONA WOOL grow unchecked. We regularly hear from readers who prefer the hirsute look, so this photo's for them!

Curvy lasses in soaked tees make for truly STANDOUT snaps!

IT'S hardwired into the male DNA to get stupidly excited about women in wet T-shirts. Don't try to fight it, just accept it.

Once you embrace the appreciation of water-logged gal garments as your GENETIC DESTINY, you'll free your mind to explore the subtleties of photos like these…

The way some nipples lurk like dark clouds behind the fabric, while others threaten to poke right on through. Those wonderful stretch lines that form across a drenched shirt between bosoms of larger size. And, of course, the way a soaked tee will tend to RIDE UP the belly of the babe in question.

We'll leave you to uncover the other fine points of damsels in dripping clobber for yourselves – just try not to get these pics any WETTER than they already are.

YOUR "*People*'s Ultimate Guide To Boobs" story (Sept. 12) was a gold-medal winner. Some of my fave naturals belong to a beautiful model named Donna Ambrose. I've only seen her in a few films, doing solo and lesbian sex. She's around 50. Still stunning, though. A DREAM LESBO SCENE for me would be Donna and actress Pam Grier. Wow!

RM, Vic

RM, you're spot on about Donna, aka Danica Collins. The Brit glamma/porn star, who turned 51 in July, is blessed with CHOICE CHOOZZIES. It's unlikely she'll get to rub knockers with Yank legend Pam, now 67, but at least we can bring the ladies together on this page.

THE CENTREFOLD

BILLIE BEEVER | 24 | GOLD COAST, QLD

GOLDIE gal **Billie Beever** is currently cruising around California with her BFF – and X-rated legend – Kiki Vidis, checking the place out and getting up to GOD KNOWS what else. We managed to score a chinwag with the sizzling sexpot during a brief lull in her mad adventures!

G'DAY, Billie! What can you tell us about the love between you and Kiki?
"Well…she wants to date me. I tell her, 'No, Kiki, you can't fulfil my needs as you don't have the PENIS I'm looking for.' I wish I could find someone like her, but a MALE version." ▸

SMOKIN' BILLIE!

We're buzzing over this kinky spunk

PHOTOS BY ANGELSDOWNUNDER

A saucy gal like Kiki's sure to teach you a thing a two.
"She's VERY good at deep-throating and decided to pop over one night to give me a lesson. We had a few dildos to practise on: small, double-ended, fat, skinny… There was a bit of gagging and saliva, but now I can deep-throat, too!"

How did you repay her?
"It's hard teaching someone like Kiki ANYTHING new, but one thing I told her was to say YES to everything, no matter what it is. Now, she's always saying yes, having more fun and thanking me for it."

Who would you choose to have an all-girl orgy with?
"Margot Robbie, Selena Gomez, Marilyn Monroe and porn star Jynx Maze. I mean, they're all banging hot, who WOULDN'T love to fuck them?"

Have you had any strange occurrences during a root?
"At least 70% of the time I'm with guys, they struggle to get HARD. It's fucking strange and annoying for me. I then have to sit there and tell them I'm not cursed."

'I WISH I COULD FIND A MALE VERSION OF KIKI'

Ahem…moving on! What do you miss most about Straya?
"Cadbury's chocolate – how I MISS that – and the Aussie beaches as well."

Not meat pies and cold beer?
"Icy-cold beer always sounds nice, but I hate meat pies. The fillings make me sick."

What if Jimmy Barnes fed it to you?
"ONLY 'cos that would make my mum SUPER-jealous!"

JOLIE GOOD NEWS

Ang is single again after ditching Pitt-iful hubby

REJOICE, blokes of the world: **Angelina Jolie** has given Brad Pitt the flick and is officially back on the dating market.

The spunky actress with the FINGERS-CROSSED-SOON-TO-BE-SUCKING-OUR-COCKS LIPS had been with the lucky prick for 12 years and married for two of 'em.

But "Brangelina" called it quits last month due to "irreconcilable differences", amid accusations that the Bradster had been cheating on his gorgeous wife.

What. A. Cunt.

We would NEVER treat the beautiful star of *Kung Fu Panda 1-3* that way. And we'll let her know that when we inevitably bump into Ang in a singles bar in LA.

She'll be drunk on some sugary cocktail, we imagine, warbling about how much she loves her kids and how her ex-husband is A BASTARD!

And now she needs some ME TIME after cleaning up after the brats all day.

Later that night, we'll weigh up the pros and cons.

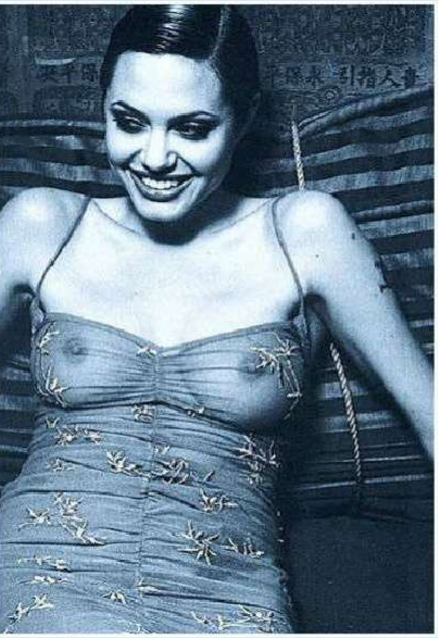
The cons? She's a 41-year-old single mum with six rugrats. That's a lotta baggage right there.

The pros? Look at that frickin' bod! Plus…she'll probably be HORNY AS FUCK after flying solo for a month.

OK, the pros have it. We'll just pop into the unisex dunny and buy a franger.

Aw, fuck it. Make it two.

One of Ang's kids got at her with the marker pen while she was asleep



That figure's worth a *Beowulf* whistle

Gee whiz! It's *Gia*'s whizzers!

Cornholed

THREE drifters are roaming the countryside for some time during the Great Depression.

They come upon a small farmhouse with crops planted around it. They're hungry, thirsty and tired so Frank suggests they steal some food.

Bob says they should ask for food, so he knocks on the door and an old, ugly lady answers. He asks for food for him and his friends and she agrees – but only under the condition they have sex with her.

Horrified, Bob says no and goes back into the woods to tell Frank and Jim.

Jim agrees that he'd rather starve, but Frank shakes his head.

"I'm so hungry I'll bloody do it," he says and heads to the farmhouse.

The old lady lets him in and he agrees to do the deed.

She tears off her dress, falls back on her bed and tells him to get stuck in.

Frank is appalled at the sight of her, but agrees to fuck her on the condition that she wears a blindfold.

The old lady hastily agrees, puts on a blindfold and spreads her legs wide.

Thinking quickly, Frank grabs an ear of corn off the kitchen table and sticks it inside the old crone's fanny, thrusting back and forth till she climaxes. He then throws the corn cob out the window.

She sighs, "Again."

Frank grabs another corn cob and does the same thing.

Satisfied after two orgasms, the old lady gives Frank some food and he leaves.

As he reaches the woods, he comes upon the other two drifters.

"Ha!" laughs Bob. "You wasted your time, mate!"

"Yeah," Jim joins in, "while you were screwing that old hag we snuck up to the house and found two pieces of buttered corn on the ground. They were delicious!"

Old dog, new tricks

FOR their 40th wedding anniversary, Sadie gave Herman a gift voucher to a classy brothel.

"What's this for?" asked Herman.

"Well," Sadie replied, "rooting has become so boring that I want you to take this, with my blessing, and go with a hooker and learn something new to put some sparkle back into our sex-life."

Herman was a bit shocked but agreed to go that night. The next morning he staggered through the door exhausted and collapsed on the couch.

"So," asked Sadie, "How was it?"

"Ahhhh, me and the gal did EVERYTHING together and she taught me NOTHING new," he sighed.

"What?" cried Sadie. "After all that money I spent and you learned nothing? Surely there was one new trick you picked up."

"Well, there was one thing," said Herman, a bit embarrassed. "She moaned."

Sadie looked confused for a moment, then asked, "And you liked that moaning?"

Herman shrugged and nodded.

"OK," she sighed, "let's give it a whirl."

The couple went to bed and Sadie asked, "Should I start moaning now?"

"Not now," said Herman. "Not now."

They indulged in some foreplay and Sadie asked, "Should I start moaning now?"

"Not now," said Herman. "Not now."

Herman climbed on top of his wife and after a few minutes of pumping he panted, "Now, Sadie! Now!"

Sadie shrugged and said, "OK, if that's what you want... Well, you're not going to

BEST JOKE

A BLONDE is visiting New York City for the first time. She wants to go to the Guggenheim Museum but doesn't know how to get there.

Fortunately, she sees a cop walking past so she asks, "Excuse me, officer. How do I get to the art gallery?"

He replies, "Wait at this bus stop for the No. 54 bus, Miss. It will take you straight there."

The blonde thanks him and he walks off. Three hours later, the police officer returns to the bus stop and finds the blonde is still there.

"Excuse me," he says, "but to get to the art gallery, I said to wait here for the No. 54 bus and that was three hours ago. Why are you still here?"

"Don't worry, officer," she smiles, "it won't be long now. The 45th bus just went by."

Take your time

A BUSHIE was visiting Sydney for the first time in 30 years. He visited his old haunts and found they'd all been bulldozed and replaced with apartment blocks.

Instead of feeling welcoming, the city now felt strange and unfriendly. Feeling sad and lost the bushie was ready to leave Sydney forever when he turned a corner and, sure enough, there was the old shoe shop where he used to get his work boots mended in the 80s.

He walked inside and there was the original owner, Gus, fixing a sole on an old boot. Nothing in the store had changed – hell, even Gus didn't look a day older.

"Gus," he said, "remember me?"

The owner took a long, hard look at him and slowly shook his head.

"I used to get my shoes repaired here all the time 30 years ago. But I moved suddenly to the outback and I've never been back. Matter of fact, I left some shoes here."

"Awwww," began Gus, "well, I never throw anything out."

He began rummaging in a dark corner behind the counter and sang out, "Brown plain toes?"

"Yes," cried the bloke.

"Size nine?"

"Yes, they were!"

And with green lace-up fronts?"

"Yes, that's them!" said the bushie.

Gus came back to the counter and said, "Yeah, be ready next Tuesday."

WIN STUFF!

IMPORTANT!
Send entries to: *Win!*, c/- *People* magazine, GPO Box 2860, Sydney, NSW 2001. Entries close 5pm, Friday, November 11.

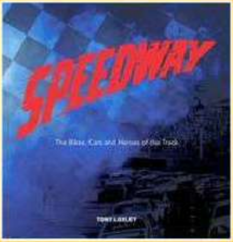
ELVIS & NIXON

Entertainment One, rated M, out October 12, RRP: $24.95 (DVD)
What's the guts? It sounds unbelievable: drug-addled Elvis Presley meeting with corrupt US President Richard Nixon because the rock'n'roll icon wanted to be deputised as an agent in the war against drugs. And yet it DID happen, back in 1970, and this very funny flick imagines exactly what went on in the Oval Office on that fateful day, a legendary meeting immortalised in a famous photograph of the two together.
Anything else? Michael Shannon is great as The King but Kevin Spacey steals the show in his uncanny portrayal of the soon-to-be-disgraced King Of The Free World. Apparently, the pair got on like a house on fire 'cos they both HATED HIPPIES. Well, to be fair, who doesn't?
Final word: Watch this very original film…or we'll shoot your TV.

WIN! A BIG "thankyouverymuch" to the hip-swivelling heroes at Entertainment One for providing FIVE DVDs for this contest. To enter, **just tell us IN ONE SENTENCE your fave Elvis tune and why**. We'll hand out DVDs to the five answers that really send us to Heartbreak Hotel. Mark your entries "*Elvis & Nixon* comp".

Speedway

By Tony Loxley
New Holland, out now,
RRP: $60
What's the guts? Wednesday nights at the speedway track – nothing could be better, right? This humongous tome celebrates the wild world of oval track racing from 1950-89. Lavishly illustrated, *Speedway* shows readers all the stars, tracks, cars and bikes that have made it one of Australia's most beloved sports.
Anything else? Cop Tony Loxley has been mad on the racetrack since his parents first took him to the Parramatta Speedway when he was a boy. Now, he's gathered a ton of pix and info that capture the action, danger, tragedy and all-round beautness of speedway racing.
Final word: We feel a need… a need for speedway!



WIN! WE'RE giving away TWO copies, thanks to our mates at New Holland. To get yours, **just tell us IN ONE SENTENCE the fastest car you've been in and where/when it was**. The two speediest answers will get a book. Mark your entries "*Speedway* comp".

Hellyers Whisky Creams

RRP: $37.50
What's the guts? Oz's largest boutique distillery, Hellyers Road in Tasmania, has released three new whisky creams: original, coffee and hazelnut. They're made with fresh Tasmanian cream and single malt whisky, making 'em the perfect late-night tipple for discerning Aussie drinkers.
Anything else? We honestly don't know which liqueur we like better. Original gives off aromas of chocolate, coconut, malt biscuits and honey. The palate is rich and creamy. Coffee smells like rich espresso, biscuits and hazelnut. The palate is rich and full-bodied. Hazelnut tasted great, too, so we skolled the bottle and passed out. A shaky two thumbs up for all three whisky-based bevvies.
Final word: Dream creams.

WIN! THE champs at Hellyers have sent us ONE prize pack with all three varieties of whisky cream. Cheers, guys! To win, **just tell us IN ONE SENTENCE a quirky flavour you'd like to mix with whisky and why**. The craziest answer will score a pack. Mark your entries "Hellyers comp". **Please state that you are over 18 years of age when entering this competition.**

And God bless her perky titties!

POLITICS aren't 22-year-old **Hilary**'s strong point. Sure, she shares the name of one of the world's most powerful women, but that's where the similiarities end (as she once told a guy after one too many pick-up attempts). So if you want to be inside THIS Hil's vagina, ditch the small talk and your mobile phone and you MIGHT just get elected as her RUNNING MATE for the night! ▶

‘TELL ME YOU WANT TO FUCK ME’

★ ★ ★ ★

Vote for Hilary

IS IT tough for a single girl to get laid in 2016, Hilary?
“It can be – which sounds ridiculous in the age of social media. But I think that’s largely to blame.”

We woulda thought you’d just “swipe right” and arrange a time.
“Fuck Tinder! I prefer meeting potential partners in person and getting a GOOD WHIFF of them before deciding if we’re going to bed together.”

So you prefer the old-fashioned method of actually talking to someone in a bar?
“I think a lot of men are losing the ability to pick up women in person ’cos they’re too busy texting on their phones. Look me in the eye and tell me you want to fuck me. Is that SO HARD?”

What was the last pick-up line you heard, Hils?
“A guy said, ‘You’re WAY hotter than the OTHER Hillary!’ I wasn’t interested in him, so I played dumb and pretended I didn’t know who the Clintons were. He must have been keen, though, ’cos he took ages to give up and go away.”

No offence, mate, but that sounds kinda bitchy.
“He was keeping the hotter guys away and I was in need of some serious sex. My last screw was two months ago!”

Tell us about that.
“It was actually the first time I ever used a vibe with a dick inside me. A girlfriend suggested it and it was so good – I came three times that night.”

Why not stick with your battery boy till you find another fella?
“Oh, we catch up, like, twice a week, but nothing compares to the real thing. Ask ANY chick.”

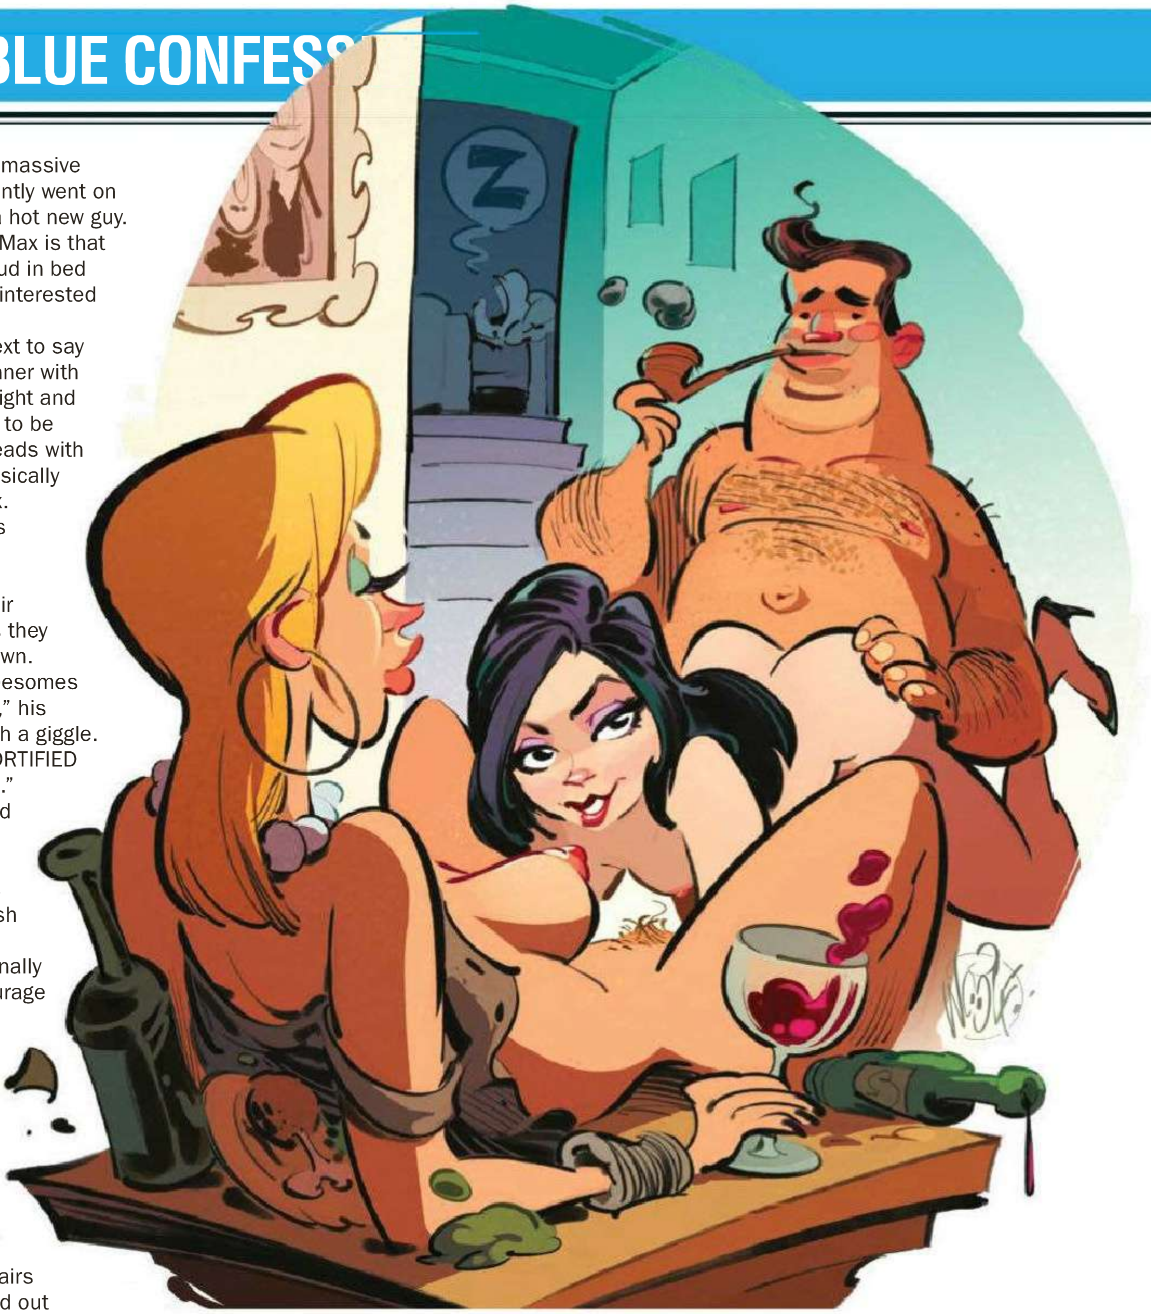
‘I CAME THREE TIMES THAT NIGHT’



MAXED OUT

I'VE always had a massive sex-drive and recently went on a few dates with a hot new guy. The problem with Max is that he was a TOTAL dud in bed and generally not interested in rooting.

He sent me a text to say we'd be having dinner with his parents that night and I discovered them to be HILARIOUS pissheads with a zest for life – basically NOTHING like Max.

After two bottles of red, they began embarrassing him with stories of their sex-life and things they get up to out of town.

"We've had threesomes and stuff like that," his mum Sue said with a giggle. "Max is totally MORTIFIED about our lifestyle."

Max got annoyed and took off upstairs to watch Netflix, leaving his folks and I to polish off a third bottle. This was when I finally worked up the courage to admit I'd never had a threesome.

I looked at them with a sly grin and said, "It probably won't work out between me and Max soooo… you know…"

Sue snuck upstairs to find Max passed out on the bed, then came back down and quickly removed her clothes and mine.

Within seconds I was eating his mum's HAIRY SMOO on the dining table while guiding his dad's hard, purple tool between my legs and into my moist cave.

'I WAS EATING HIS MUM'S HAIRY SMOO'

I swapped back and forth between the handsome couple, in particular enjoying Dave's thick member in my mouth.

We eventually moved into the loungeroom where we lay on the floor and Dave rooted me missionary style while Sue watched and diddled her twat.

Finally, she climbed over me so I could eat her out till Dave blew his load DEEP INSIDE ME.

We had a few more rounds that night till we were too tired to go on. I thanked his folks for a cracking time and broke up with Max the next day.

SHIP SHAPE

WHEN I moved to Sydney from a small country town, I was getting my knickers all wet WEEKLY for the sailor boys at Woolloomooloo.

My tiny flat overlooked the docks and I'll never forget the night I had a chance to fuck one of them.

I'd been getting pissed one arvo with my mate Tracy, enjoying the sunshine and a bottle of chardy, when three guys in uniform walked in.

I struck up a convo with Mitch at the bar and invited the sailors over to our table. Tracy rolled her eyes.

The other two eventually decided to take their pub crawl elsewhere, leaving Mitch and us to drink on.

"I live right just around the corner, Mitch," I slurred, "and we're thinking of taking the party back to mine…"

'WE KISSED WHILE MITCH DICKED US DOGGY STYLE'

Within half an hour, Tracy and I were on our knees, sharing spit and Mitch's MASSIVE schlong between us.

We gnawed and slobbered on his rod and, after that, we got on all fours and kissed each other while Mitch dicked us doggy style.

"We want this SEAMAN'S SEMEN!" I cackled, then summoned Mitch around to spray his load on our faces.

Tracy just smiled. She knew how much it meant to me!

SUDS AND BUDS

GETTING fucking hammered for Oktoberfest in Germany had been a dream of mine for about five years, and I recently made it come true.

My mate Nick and I booked cheap hotels in Munich, then set out to get blind for as many nights in a row as we could – and hopefully score some TEUTONIC TWAT.

The Bavarian babes are a friendly bunch, so it didn't take long to have one on each arm – especially once they knew we were Aussies – and by 10pm I was hammered and taking 24-year-old Gloria back to my digs.

She undid the lace from the front of her dress and exposed her juicy C cups. They were spectacular and sat perky and true. Gloria walked over and SHOVED them in my face.

'I SUCKED ON THE GERMAN'S GLORIOUS DIDDIES'

I sucked on those glorious D-cup diddies like a man dying of thirst, while working a hand between her legs to finger her SHAVEN HAVEN.

"Do all German chicks shave their smoo?" I grinned while sucking her juices off my fingers.

"Do ALL Aussies talk during sex, Mark? Just shut up and FUCK me already!"

I picked up Gloria in one go and dropped her down onto my ready'n'willing love-wand.

The sexy brunette's boobs jiggled while she moaned and muttered filth in German.

We went at it for ages that first time before I finally filled up my franger with spoof.

We dozed off for a few hours, but we had another FRENZIED SEX SESH when we woke the following morn.

Gloria stuck with me for the rest of the week and we bonked every day in every position. It would've been nice to nail some other chicks in Germany, but I was more than happy with my gal – and so was my mate Nick!

But I'll tell that threesome story another time!

IN THE SWING OF THINGS

I ALWAYS wanted to experiment with swinger clubs but never had the chance due to having a timid wife who never tried new things.

When we FINALLY broke up I started looking up websites to get information on clubs where anything goes.

Turns out there was a club in my suburb so, one night, I downed eight beers for liquid courage and showed up at some joker's house wearing tight leather pants and an awkward smile as I waited for some spunk to turn up and fuck my brains out.

"You're a first-timer," came a voice from behind me.

I turned round and saw this large, older woman who was peering at me quizzically.

Next to her stood a short balding bloke wearing dark glasses and sporting a huge erection. Both were starkers.

"We know you're a newbie. We always know," she grinned, spreading her thick bush to give me a good view of her CAMEL'S PURSE. "I'm Alice and this is Ted. We'll show you the ropes."

I just nodded in a daze as she patted my hand and led me to a room filled with rutting bodies.

We found a quiet corner and settled down on a pile of cushions. Alice started leisurely sucking off Ted, then told me to get between her legs and MUNCH ON HER SNATCH. Being a polite fella, I did as I was told.

I barred up in a bit, then me and Ted got at either end of Alice, spit-roasting her.

'I FIRED PENIS PASTE ONTO HER SHOULDER BLADES'

"Come on my back," she purred after Ted had sprayed his love-gunk on her face. I pulled out, grunted and fired an arc of PENIS PASTE onto Alice's shoulder blades.

After that I walked around and had a few drinks before getting a blowie from some granny with false teeth.

It was a weird night and not at all what I expected, but I'll be back for another go soon, I reckon.

THE BACK DOOR

BELLA THORNE | 19 | STARLET AT PLAY

THORNE REBORN

AMERICAN actress **Bella Thorne**, who hit the BIG ONE-NINE just before this issue went to press, is keen to break from her Disney Channel past.

Her role in new drama *Shovel Buddies* certainly sounds edgier, with Bella telling an interviewer, "My very first line of the film is, 'CHOKE ON A COCK.'" The divinely arsed redhead – seen here in Miami, Florida – went on to explain, "People have always told me I'm too mature for my age."

Those people were wrong, mate – whereas you and your BIKINI-CHEWING BOOTY are just right.
